### Justice and Peace Service - SERPAJ Uruguay

**Authorized form of name:** Justice and Peace Service - SERPAJ Uruguay

**Other names:** SERPAJ (Acronym)

**History:** Fecha de fundación del archivo: 1984 (Arch.Impunidad), 1986 (Arch. Com.)

El Archivo "Impunidad" comienza cuando Serpaj decidió apoyar a las familiares y víctimas de las violaciones de DDHH producidas durante la dictadura . Fue recogiendo testimonios e información detallada sobre lo ocurrido. Se realizaron múltiples entrevistas y se ingresó parte de la información en una base de datos.

El Archivo de la Comisión Nacional Pro-Referéndum fue desarrollado por dicha institución. Contiene el conjunto de materiales generado por la actuación de la Comisión entre el año 1986 y 1989.

**Beta**

This website hosts a (beta) prototype catalogue of archival collections related to international development.

The goal of this project is to eventually establish a fully functional website at this address to provide a searchable database of archival finding aids from development institutions, NGOs and other agencies around the world.

Read the [Help](#) documentation to find out more about how to use this website.

## Welcome to the ICA-AtOM online demo!

The version hosted here at <http://ica-atom.org/demo/> is an easy way to test the 1.0.7 beta release of the ICA-AtOM software. You are free to add and change any of the sample data.

Please note, however, that the website will automatically reload the default data every hour. So any data you enter yourself will not be permanently saved. As well, there may be more than one demo user logged-in at the same time, so you may see data changes made by others while you are using the software.

### Log-in

You can log-in with full administrator privileges using the following email address and password:

## Bienvenue à cette démo en ligne de AtoM !

Cette version de démonstration hébergée à <http://ica-atom.org/demo/> est un moyen facile de tester la version beta 1.0.7 du logiciel ICA-AtOM. Vous pouvez ajouter ou modifier n'importe laquelle des données qu'elle contient.

Veillez noter, cependant, que le site Internet réactualisera toutes les données par défaut toutes les heures. Ainsi, toutes les données que vous saisissez vous-mêmes ne seront pas sauvegardées de façon définitive. De plus, il est possible que plus d'un utilisateur de la démo se soit connecté en même temps; ainsi vous pourriez voir des données être modifiées par d'autres internautes pendant que vous utilisez le logiciel.

### Enregistrement

Vous pouvez vous enregistrer et bénéficier des privilèges complets d'administrateur en utilisant l'adresse de courriel et le mot de passe suivants:
